

Beautification Committee Meeting
November 19, 2020

Present:
Larry Crowder
Jacob Smith
Jackie Lamar

The committee met to discuss the stain color for the fence and how to share this info with the seven neighbors who back up to the fence.

Two colors were selected to present to these residents from which to choose their favorite for staining the entire fence. Also, it was decided to have a brief meeting Dec, 1 at 6:00 PM at Larry Crowder's home to make the color decision and share the preparations necessary by the homeowners before staining may begin. This includes removing everything within ten feet of the fence and securing the animals that might venture into the backyard.

Mary will distribute flyers to the seven homes announcing the meeting.

The meeting was adjourned.
